

**The United Way of Washington County - East** works to advance the common good in our community, giving everyone the chance to live a better life. Specifically, we fund programs at local agencies that support solid community goals in the areas of education, income and health.

**EDUCATION:** helping preschoolers, children and youth make the most of their potential.

**INCOME:** helping individuals and families achieve financial stability, making them less dependent on emergency assistance.

**HEALTH:** addressing critical health issues, promoting healthier living and helping people maintain their independence and well being.

Help us make the dream of a better life a reality for our friends and neighbors in Washington County!

**Reach out a hand to one.  
Influence the condition of all.  
LIVE UNITED.**

WHO IS THE UNITED WAY OF WASHINGTON COUNTY EAST?

More than 55 years ago, a small group of concerned citizens got together and founded the Washington County Community Fund. Over the years, this local nonprofit lead the way in community fund-raising, while developing and encouraging excellence and innovation in the area's agency community. Many of Washington County's best-known leaders played a key role in supporting this organization. Today, the organization has grown into a critical and thriving part of our local landscape.
